SURVIVOR

**OUTSPOKEN | OUTGUN | OUTSMART
OUTLIVE | OUTRIGHT | OUTFIT**

HOW DOES IT WORK?

This hugely popular TV reality show ensures that this program is as authentic as it gets... A choice of on site locations including adjacent bush and lawns are available, during which time teams compete in tribes against one another. This culminates in lots of serious frivolity with the focus on the ever important tribal council which takes place during your evening function. There are over 15 immunity challenges to choose from and all are based on the international show itself.
